<b>Shabbat</b> One of the holiest days of the Jewish calendar, Shabbat commemorates G-d's day of rest on the 7 <sup>th</sup> day of creation. Shabbat begins at sunset every Friday and extends until sunset on Saturday.	<b>All Jewish holidays begin at sunset the day before dates listed below.</b> This list of Jewish Holy Days has been prepared as an aid for the planning and scheduling of events (e.g. graduations, examinations, registration, assemblies, athletic events, open houses and conferences) in order to minimize conflicts, which involve the absence of Jewish students and personnel.
